Kim Loveall Price Joins Together Center Board of Directors

Together Center is happy to announce the addition of Kim Loveall Price of **Woodinville** to its Board of Directors.

Loveall Price is Principal in Loveall Price & Associates, LLC, a consulting firm for nonprofits.

“Together Center is a rare community gem. Access to services is so vital,” Loveall Price said. “I want to help preserve and expand Together Center’s mission.”

“We are very lucky to have Kim on our Board of Directors,” said Board Chair Margaret Moore. “She has extensive expertise and experience that will be very meaningful to further our efforts to help people find the services they need.”

One of the first nonprofit multi-tenant centers in the nation, Together Center was designed first and foremost to lower barriers to finding help. Where East King County residents once needed to travel from Bothell to Renton or beyond to find help at individual locations, people from throughout the Eastside now find comprehensive assistance at one location in downtown Redmond.

Services include medical and dental care, youth shelter, child care assistance, youth and family counseling and more. Tens of thousands of people are assisted on campus each year.

Together Center is located at 16225 NE 87th in Redmond. For more information, contact (425) 869-6699 or visit www.togethercenter.org.

**We create access to human services,
so people can find help when they need it.**

A Regional Coalition for Housing / Alliance of Eastside Agencies / Brain Injury Alliance of Washington
